The Lead beneficiary will be assisted in its role by a "Project Management Team" comprising representatives of all beneficiaries, taking decisions unanimously and governed by internal rules of procedures. The role of PMT is essential. The PMT will have the overall responsibility for monitoring the implementation of the project. The PMT is the central decision-making structure.

The Project Management Team (PMT) consists of 1 representative and one alternate person from each partner and the Project Manager of the LB (who will chair).

Moreover the PMT has to give consent for any request for project modifications. In order to proceed for the adjustment, the Lead Beneficiary should get the consent of the Project Management Team. The Lead Beneficiary has the responsibility to ensure the consent of these adjustments by the Project Management Team when requested by relevant authorities (JS, MA, FLC, etc). This consent can be in the form of meeting minutes, written communication, etc. The procedure for submission and approval of project modifications is described in detail in the Programme and Project Implementation Manual (project modifications guidelines) as in force.

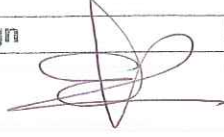

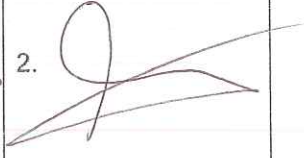

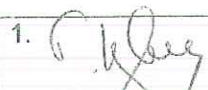

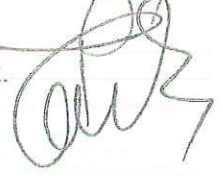

The PMT members will meet regularly every six months and extraordinarily whenever required. It will decide preferably unanimously or by majority of 2/3 of its members. Today, we agree that the PMT meetings will take place at the same date and venue with the partners meetings and whenever else it is required.

The responsibilities of the PMT will be:

- a) to agree on a detailed timetable and analysis Deliverables per partner
- b) to monitor project's progress intervening where necessary
- c) to approve the communication plan
- d) to manage and control the processes of project's cash flows
- e) to approve the relevant Progress Reports regarding physical and financial implementation and also any other reports submitted to JS/MA of the Program
- f) identify and agree on actions to address emerging issues/problems

Today, the participants of the kick off meeting create the Project Management Team, providing two members from each partner and they sign this meeting minute, in order to agree that they accept what has been mentioned above.
