## Greece-Bulgaria

 **bestwateruse**

European Regional Development Fund

respect water

BEST-U aims to build the capacity of stakeholders and decision makers in the management of water resources, to enhance the "green behavior" of water users and to develop educational processes among students and teachers which will promote the optimum water management and the sense of responsibility regarding the environmental protection and sustainable living conditions.

### **With the financial contribution of the European Union.**

Funded by the Interreg V-A Greece-Bulgaria 2014-2020 Cooperation Programme, under the European Regional Development Fund.
